IAS Foundation Course - 2022 "NEEV"

You can't build a great building on a weak foundation. You must have a solid foundation if you're going to have a strong super structure.

Overview

Definitely a strong superstructure needs deep and solid foundation. Becoming IAS/IPS is a dream worthy to sweat, an exciting imagination strived hard for being reality. UPSC-CSE exam tests your intelligence, maturity and Personality. Experiences tells that average aspirants takes 3 years to crack the exam. All those who have cracked it in their first attempt have started their preparation during graduations under someone's guidance. The Officers Classes- IAS Foundation Programme 'Ascension' is designed by Retd/serving civil servants according to the specific needs of graduation students.
